Work experience

Dates
Name and address of employer
Type of business or sector

June 2005 - today
Vie en.ro.se. Ingegneria Srl, Firenze, Italy

Vie en.ro.se. Ingegneria S.r.l. is a highlevel consultancy firm (ISO 9001 certified), specialized in environmental and civil engineering, occupational and environmental hygiene, with wide and long lasting experience in environmental, building and room acoustics; occupational and environmental health and safety, sustainable development and management systems. VIE EN.RO.SE. has developed a relevant international experience, leading or participating to EU funded projects, and giving widespread national and international consultancies in collaboration with universities and research institutes.

Posizione
Attività

Co-worker
Structural and acoustic planning of interventions for the acoustic mitigation of infrastructures and noisy business, acoustic impact's evaluations, loudspeaker control, drafting of territorial urban instruments for acoustic pollution control (Acoustic Classification Plans, Noise Reduction Plans, Action Plans, Strategic Noise Maps), teaching and test controlling during training and professional courses in the acoustic field.

Data
Presso

June 2007, June 2008, June 2009, June 2010, June 2016
Università degli Studi di Firenze, Biomedical and Technological Department

Posizione
Attività

Technical service and lab test.
Collaboration in training and refresher professional course "Environmental Acoustic: acoustic impact's evaluation and planning of noise reduction actions"

Data
Presso

October 2014
Università degli Studi di Firenze, UNISER Department, Pistoia

Posizione
Attività

Technical service and lab test.
Collaboration "ENVIRONMENTAL ACOUSTIC – training and refresher professional acoustics courses" "TRANSPORT ACOUSTIC AND ROAD, RAIL NOISE CONTROL – training and refresher professional acoustics courses"

Education and training

Engineering Department - Università degli Studi di Firenze
Admission to the register of engineers
Mark 102/120

Engineering Department - Università degli Studi di Firenze
Degree in Environmental and Territorial Engineering
Mark 102/110

senior high school specializing in science education
Piero Gobetti – Bagno a Ripoli (FI)
High school leaving qualification
Mark 45/60

**Technical skills and
competences**

Professional performances according to the Italian law 447/95 regarding noises and vibrations.
Among all the performances:

- ✓ Acoustic impact's estimation and expectation of simple and complex sources, acoustic climate's estimation and expectation. Acoustic classifications and noise reduction plan of the local territory. Monitoring interventions' of the transport infrastructures' noise and planning of interventions for the noise's mitigation. Assistance's interventions for the authorization in building sites and temporary activities.
- ✓ Making of sound pressure and sound intensity measurements, using technical instrumentations.
- ✓ Planning of interventions connected with sound insulation, acoustic pollution reclamation, structure's adjustment, abidance to the laws regarding work safety and achievement of the European certificates.
- ✓ Participation, also with the presentation of works, to congresses and seminars about acoustics, both national and international.
- ✓ Competent technician in Environmental Acoustic nr. 8084 (Italian national ID) and nr. 545 (Tuscany Region ID).
- ✓ Admitted to the register of engineers of Firenze n. 5392.

Mother tongue

Italian

Other languages

English – good: listening, reading, spoken interaction, spoken production

Driving licence

Level B - Italian

Self-certification and declaration in lieu of affidavit pursuant to Presidential Decree 445/28.12.2000
