Occupation or position held

Co-worker

Activity

Professional co-worker performances regarding noises and vibrations. Among all the performances:

- Acoustic impact's estimation and expectation of simple and complex sources, acoustic climate's estimation and expectation. Acoustic classifications and noise reduction plan of the local territory. Monitoring interventions' of the transport infrastructures' noise and planning of interventions for the noise's mitigation. Assistance's interventions for the authorization in building sites and temporary activities.
- Planning of interventions connected with sound insulation, acoustic pollution reclamation, structure's adjustment, abidance to the laws regarding work safety and achievement of the european certificates.

structural engineering, construction, drawing and design, building materials and construction techniques, equipment

Dates

from 2006 to 2017

Name and address of employer

study of architecture dott. Arch. Raffaele Calistri

Activity

Topographical detection, measurement operations, determination and verification of boundaries and estimate of measure and division of rustic funds, urban areas and buildings civilians; design, direction and supervision of buildings civilians; security plans designing; heat dispersion calculation; measurement of acoustic climate/environmental impact and passive requirements of buildings; drawing up of estimates, technical documents and metric computations; assistance with the processes of structural analysis for buildings; professional partnership in public works projects of importance or involving the resolution of major technical problems.

Occupation or position held

Co-worker

<i>Dates</i>	from 2006 to 2017
<i>Name and address of employer</i>	engineering study L.G.A ingegneria s.r.l
<i>Activity</i>	Engineering Studio
<i>Occupation or position held</i>	Activities of external collaborators in a freelance profession Collaborations for design and management work of civil and public buildings; Estimates, specifications and estimated metric calculations. Drafting of structural calculations
Education and training	
	07/2019 Course of professional update for Competent Technicians in Environmental Acoustics Florence - University of Florence - Training post degree
	04/2016 Course of Training for Competent Technicians in Environmental Acoustics Florence - University of Florence - Training post degree
	06/2015 Course for Competent Technicians in Environmental Acoustics Florence - University of Florence
	06/2013 Professional qualification – Civil Engineering sez. B state exam of Freelance Professional Rome - University of Study 'La Sapienza'
	03/2013 Degree in Civil Engineering (Junior Engineer) Building project design, 2D and 3D automated design, Technical Architecture, Materials Technology, Designing construction elements, rating thermal and acoustic dispersion, Urban Law, Science of Construction, Safety on construction sites, Geotechnical and Hydraulic Rome - Faculty of applied sciences and technology. Usgm
	09/1997 – 06/2003 High school diploma with specialisation in surveying – Technical institute for surveyors - 'E.Fermi' Pistoia – 51100 PT
Professional skills, experiences and competences	Member of order of engineers in the province of Pistoia, n. 79/b from 2014 Registered in the national registry of technicians competent in acoustics n. 10653
Mother tongue	Italian
Other languages	English – good: understanding, speaking, writing
Additional information	Driving licence Level B Driving licence level A
